REPLY TO ATTN OF: EM-421 (W. A. Williams, 903-8149)

SUBJECT: Elimination of the Max Zuckerman & Sons Company Sites, Illinois and Maryland

TO: The File

I have reviewed the attached site summary and elimination recommendation for the Max Zuckerman & Sons Company sites in Chicago (IL), Owings Mills (MD) and Baltimore (MD). I have determined that there is little likelihood of radioactive contamination at these sites.

Based on the above, the Max Zuckerman & Sons Company sites in Baltimore, Owings Mills, and Chicago are hereby eliminated from further consideration under the Formerly Utilized Sites Remedial Action Program.
