Metals Disintegrating Company, Inc.
American Bronze Division
271 Grove Avenue
Verona, New Jersey

Attention: Mr. F. L. Macwatty

Gentlemen:

As we informed you on your recent visit to our premises, we have available for your use 1800 Cubic Feet of space for Storage of U. S. Government material.

If your examination of the space available is acceptable, we shall be glad to rent the same to you at $ 27.00 per month for a term of one year, subject to concellation at any time, on thirty days' notice to us by registered mail.

We wish it to be understood between us that we shall not be liable for any damage due to fire or flood, explosion or destruction of any kind.

It is our understanding that this material shall remain at all times, the property of the U. S. Government and may be shipped out of storage at the direction of the Government only. In addition thereto, we understand that this material is to be stored with us in connection with the Government Contract W-7405 eng-139, Manhattan Engineer District of the War Department and title shall remain in the Government at all times for all intents and purposes.

If the premises herein are agreeable to you, will you kindly signify the same by having your Company sign the acceptance below.

Very truly yours,

R E Goman

R. E. Goman
