Vitro Chemical Company
A Subsidiary of Vitro Corporation of America
4000 No. Hawthorne Street
Chattanooga, Tennessee

Attention: Mr. Paul R. Krussi, Vice President
Research and Development

Gentlemen:

Reference is made to your letter of June 9, 1961, which advises of the transfer under License R-227 to your Chattanooga, Tennessee, facility of thorium source material formerly possessed by Heavy Minerals Company, Chicago, Illinois.

On the basis of your June 9, 1961, letter, no further action need be taken regarding our April 6, 1961, letter to Heavy Minerals Company.

Very truly yours,

Donald A. Hussbeumer, Chief
Source and Special Nuclear Materials Branch
Division of Licensing and Regulation
