PUBLIC SERVICE ANNOUNCEMENT

The U.S. Department of Energy is cosponsoring a Public Information Meeting with the U.S. Environmental Protection Agency to discuss the Remedial Investigation/Feasibility Study Work Plan for the cleanup of the Weldon Spring Site Remedial Action Project. The meeting will be held at 7:30 p.m. on Tuesday, December 6, in Young Auditorium on the campus of Lindenwood College in St. Charles, Missouri. All interested citizens are invited to attend.

(for further information, please contact Martin Janowski or Sue Brotherton at the Weldon Spring Site at 441-8086)
