Mr. Steven H. Gunderson
Rocky Flats Cleanup Agreement Project Coordinator
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, Colorado 80246-1530

Dear Mr. Gunderson:

The purpose of this letter is to deliver the Final Pre-Demolition Survey Report (PDSR) for Facilities 731 and 732 for your concurrence. This submittal is in accordance with the Rocky Flats Cleanup Agreement and is the result of the consultative process to establish and document the final survey status of these type two structures.

This PDSR identifies that these below ground structures are contaminated with low levels of radiological contamination and do not meet the unrestricted release criteria of the Rocky Flats Environmental Technology Site Pre-Demolition Survey Plan, MAN-127-PDSP. These structures will be removed with appropriate radiological controls to prevent the spread of contamination and the waste will be handled and disposed as low-level radioactive material.

Please feel free to direct any questions to Gary Schuetz at (303) 966-3016, or you may contact me at (303) 966-2282.

Sincerely,

Joseph A. Legare, Director
RFPO Project Management
