Mr. Steven H. Gunderson
Rocky Flats Cleanup Agreement Project Coordinator
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, Colorado 80246-1530

Dear Mr. Gunderson:

Provided for your review and approval is the enclosed Reconnaissance Level Characterization Report (RLCR) for Building T891B (DWF-065-04), dated October 6, 2004. This report characterizes the physical, chemical and radiological hazards associated with this facility, summarizes the characterization activities, defines the Data Quality Objectives developed for this Characterization, and presents the data quality assessment, verification and validation of results.

All results meet the Pre-Demolition Survey Plan unrestricted release levels. Based upon this RLCR and subject to concurrence by the Colorado Department of Public Health and Environment, Building T891B is considered to be a Rocky Flats Cleanup Agreement Type 1 Facility pursuant to the Rocky Flats Environmental Technology Site Decommissioning Program Plan (DPP; K-H, 1999) and is acceptable for demolition.

Questions may be directed to Gary P. Morgan at (303) 966-6003.

Sincerely,

Joseph A. Legare, Director
RFPO Project Management
