RE: Approval of the OU 5 Project Specific Plan for the South Field Injection Test

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the Operable Unit (OU) 5 Project Specific Plan for the South Field Injection Test. U.S. EPA believes this document presents a technically valid approach for conducting the injection test.

Therefore, U.S. EPA approves the OU 5 Project Specific Plan for the South Field Injection Test. Please contact me at (312) 886-0992 if you have any questions.

Sincerely,

E Jablonowski for

James A. Saric
