RE: Original Landfill Sampling and Analysis Plan (April 2010)

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed the Original Landfill Sampling and Analysis Plan, which describes additional sampling at the Original Landfill. This plan provides sufficient detail of the proposed sampling effort and conforms to the previously approved RFLMA Contact Record 2010-01. The Plan is therefore approved.

Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng
