RE: Site Surveillance and Maintenance Activities Reports – Calendar Year 2011

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (Department), in coordination with Region 8 of the Environmental Protection Agency, has reviewed the annual and quarterly Site Surveillance and Maintenance Activities Reports for Calendar Year 2011. These reports were submitted to the Department for approval and filed in the Administrative Record as required by RFLMA ¶ 26. Our review has determined that these reports meet the requirements specified in RFLMA Attachment 2 and they are therefore approved.

Please let me know if you have any questions regarding this approval.

Sincerely,

Carl Spreng
