PUBLIC INFORMATION MEETING

The U.S. Department of Energy has developed a draft Rocky Flats Plant Community Relations Plan that describes proposed methods of informing and involving the public in environmental cleanup at the plant. A 60-day public comment period for the plan begins Wednesday, January 30, 1991 and ends Saturday, March 30, 1991.

During the comment period, the Rocky Flats Plant will hold two public meetings on the draft Community Relations Plan. The first will be an information meeting that will be held in conjunction with an information meeting on the recently signed Interagency Agreement. The second meeting is scheduled to receive oral public comment on the draft plan Written comments are encouraged also during the public comment period.

Public Information Meeting: Thursday, February 21, 1991
Public Comment Meeting: Wednesday, March 13, 1991
Both meetings will be held:
7:00pm to 10:00pm
Westminster City Park
Recreation Center
