Gentlemen:

This letter regards Rocky Flats Plant Interagency Agreement Standard Operating Procedures (SOP's) and is a follow-up to a similar letter transmitted to you on March 26, 1993. We received a memoranda from EG&G dated May 3, 1993, stating that unforeseen delays in obtaining subcontractor support would not allow them to achieve their original submittal date for the SOP's of May 5, 1993. They have stated that the SOP's will now be submitted to us by June 15, 1993.

As a result, we are informing you that the SOP's will be submitted to EPA and CDH by June 22, 1993, for your review and approval.

Questions or concerns regarding the delay should be directed to Bruce Thatcher of my staff at 966-3532.

Sincerely,

James K. Hartman
Assistant Manager for Transition
and Environmental Restoration
