Fernald Cleanup Progress Briefing

The time is NOW to offer input on final land use of the Fernald site.

If you have ideas on how to reuse the Fernald site once cleanup is complete, then plan to attend the Oct. 13 Cleanup Progress Briefing/Final Land Use Public Hearing.

The briefing will begin at 6:30 p.m. with a brief presentation on the *Intermodal Transportation of Low-Level Waste to the Nevada Test Site Environmental Assessment (EA).*

Around 7 p.m., the Department of Energy (DOE) will begin the Final Land Use public hearing. Stakeholders can submit comments during the hearing on the Proposed Final Land Use EA, available in the Public Environmental Information Center, 648-7480.

The briefing/hearing will be held at the Alpha Building, 10967 Hamilton-Cleves Highway. For more information, contact Gary Stegner, DOE, 513-648-3153.
