TRANSMITTAL OF DRAFT 2005 WELL ABANDONMENT AND REPLACEMENT PROGRAM FINAL REPORT - DSC-056-05

Dear John

Enclosed for your review is a complete copy of the Draft 2005 Well Abandonment and Replacement Program Final Report. The report includes a small section of text and a large appendix of core logs.

Issuance of this report serves two primary purposes. First, the report is required by the FY05 Integrated Monitoring Plan. Second, the Colorado Department of Public Health and Environment (CDPHE) has requested copies of all core logs, and all but the 2005 logs have been previously transmitted. This report will complete that process.

Please forward your comments to me or to John Boylan by December 6, 2005. Corresponding revisions will be made and the report will then be issued to the Environmental Protection Agency, the CDPHE, and the community.

If you have any questions regarding this submittal please contact John Boylan at 303-966-5182.

Sincerely,

Dave
