Fernald Cleanup Progress Briefing

Silos Project Update

To learn more about the Silos Project at Fernald, DOE and Fluor Daniel Fernald invite you to attend the next Cleanup Progress Briefing on Tuesday, Oct. 12 at 6:30 p.m.

Information will be provided on all aspects of the project with special emphasis placed on the Silos 1 and 2 Revised Feasibility Study (FS). Critical Analysis Team and DOE Independent Review Team members will be on hand to respond to questions about their review of the FS process.

The workshop will be held at the Fernald site, 7400 Willey Road off State Route 128. Visitors must show a drivers license or valid photo identification to the Security Officer when entering the site. Handicapped parking is available. For more information, contact:
