TRANSMITTAL OF REVISED EXCAVATION PLAN PROCEDURES AND DESIGN VERIFICATION LETTER FOR THE 881 HILLSIDE FRENCH DRAIN EXCAVATION - JMK-1008-91

As requested by DOE project personnel at a project review meeting held on Friday, December 20, 1991 at Building 116, we are transmitting the enclosed EG&G-approved revisions to the excavation plan and a design verification letter for the french drain excavation at the 881 Hillside Interim Remedial Action (IRA).

Upon your review and written approval of these documents, EG&G will resume excavation activities on the french drain.

Should you have any questions, please contact J. P. Koffer of EG&G CERCLA Programs at extension 5949.
