DATE EXTENSION FOR SEPTEMBER 1993 HEALTH AND SAFETY PLAN FOR INTEGRATED OPERABLE UNITS 8, 9, 19, 12, 13, AND 14 (12423) - NMH-608-93

EG&G Rocky Flats, Inc. requests an extension to the November 30, 1993, due date for the revised Health and Safety Plan and comment responsiveness summary, to December 8, 1993. The extension is required in order to disposition the results of a comment review meeting that was rescheduled by the Department of Energy, Rocky Flats Office from Wednesday, November 24, 1993, to Thursday, December 2, 1993. Since the meeting was rescheduled after the November 30,1993, due date, EG&G Rocky Flats will require at least one week to complete any changes to the commentary based on the results of the December 2, 1993, meeting.

If you have any questions or require additional information regarding this request, please contact me, or B. D. Peterman of Remediation Project Management at extension 8659.

N. M. Hutchins
Acting Associate General Manger
