TREE AND SHRUB PLAINTING PROJECT USING COLORADO STATE FOREST SERVICE - GHS-159-93

In acknowledgment to J.K. Hartman's letter, EPD:GWL:02640, attached are copies of a December 10,1992 correspondence from T.G. Hedahl to R. M. Nelson (92-RF-14271) requesting approval of the tree and shrub planting project, a January 29,1993 letter of approval for the project from J.K. Hartman to T.G. Hedahl (ERD:RJS:01145). Additionally, Attachment 1 is a justification explanation outlining regulatory drivers and public opinion concerns supporting the project, Attachment 2 is the schedule for the anticipated tree and shrub planting activities in April 1993, and Attachment 3 is a copy of a March 17, 1993 letter expressing support for the project and the expectations of continued cooperation from W.R. Wilcox , Assistant State Forester, of the Colorado State Forest Service to R.M. Nelson, DOE, RFO.

EG&G would appreciate a response from DOE, RFO as soon as possible to avoid impacting the activity schedule. Mobilizing manpower and equipment for this project has required a good deal of cooperative planning and scheduling on the part of the Colorado State Forest Service. Should you have any comments or questions, please contact Steve Nesta at X8605, or Dick Flory at X8680.
