Subject: Environmental Covenant Certification Form

Dear Ms. Figur:

Enclosed is the signed Certification Form. As indicated in my transmittal letter for the 2012 certification, please note that the Certification Form you sent indicates the Covenant Date as January 1, 1990. This is incorrect. The original Environmental Covenant was dated May 22, 2006, and was amended December 4, 2006. The December 4, 2006, Environmental Covenant was amended November 14, 2011, and is filed in the Jefferson County land records, reception number 2011112377.

Other than the incorrect date, the excerpts of the restrictions as shown on the form are correct.

If you have any questions or require additional information regarding this correspondence or the Certification Form, please call me. I may be reached at (720) 377-9682 or at Scott.Surovchak@lm.doe.gov. Please send any correspondence to:
