NATIONAL HISTORIC PRESERVATION ACT DOCUMENTATION PACKAGES FOR TRANSMITTAL TO THE NATIONAL PARK SERVICE - PFE-004-98

This memo documents the hand carry delivery to you of the final submittal package originals of the entire set of Historic American Engineering Record (HAER) packages for the Rocky Flats Environmental Technology Site. These were printed upon acid free paper and labeled in accordance with the current HAER documentation requirements, as requested by the National Park Service (NPS). These packages have been reviewed for classification for release to the NPS. Please copy Kaiser-Hill on DOE's transmittal to the NPS for our records.

If you have any questions about these packages, please contact me at extension 8187, or pager 3267.
