Mr. Leon Davidson
Nuclear Development Corporation
of America
5 New Street
White Plains, New York

Subject: SOURCE MATERIAL LICENSE NO. C-3494

Dear Mr. Davidson:

Reference is made to your letter of May 31, 1956, requesting 300 pounds of fluoride scrap to be used under License No. C-3494 and for use in the "Industry Participation in the Recovery of Uranium From Fluoride Scrap".

Enclosed, for your use in ordering the 300 pounds of fluoride scrap, are four partially completed copies of our Source Material Order Form which should be used by you in lieu of your standard purchase order. Please complete the forms and send three signed copies to:

U. S. Atomic Energy Commission
Post Office Box 470
St. Charles, Missouri

Attention: F. H. Belcher

The fourth copy may be retained for your files. Upon receipt and acceptance of the forms, Mr. Belcher will arrange to have the fluoride scrap shipped to you f.o.b., St. Louis, Missouri. As indicated on the order form, there will be no charge for this material.

MATERIALS

If you need additional information, you may contact Mr. Belcher directly.

Very truly yours,

Alice M. Corley
Chief, Research Services Branch
Research and Development Division
