Attention: Mr. E. H. Schulz
Vice President for Research
Operations

Gentlemen:

As requested in your letter dated April 2, 1963, the Armour
Research Foundation Radiation Safety Procedures Manual has
been made a part of the files for Special Nuclear Material
License No. SNM-49 and Source Material License No. SMS-444.

It was noted on the cover of this manual that the name of
Armour Research Foundation of Illinois Institute of Tech-
nology will be changed to IIT Research Institute effective
June 1, 1963. In order that your AEC licenses may properly
reflect this name change, you should notify the Commission
prior to such change.

In order for us to complete our files we require two
additional copies of this procedures manual.

Distribution: Very truly yours,
