RE: A1 P4 Part 2 CDL and Certification Sampling

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 1 Phase 4 (A1 P4) Part Two Certification Design Letter (CDL) and Project Specific Plan (PSP) for certification sampling. The documents provide certification sampling information A1 P4 Part Two.

The documents are technically adequate and consistent with similar documents. Therefore U.S. EPA approves the A1 P4 Part Two CDL and PSP for certification sampling.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
