ADMIN RECORD

The Department of Energy at Rocky Flats announces document availability.

Final Interim Measure/Interim Remedial Action Decision Document for the Solar Evaporation Ponds. Operable Unit No. 4 April 1992

The U.S Department of Energy's Final Interim Measure/Interim Remedial Action Decision Document for the Solar Evaporation Ponds, Operable Unit No. 4 - April 1992 is now available to the public. Included within the document is a Responsiveness Summary on the comments received from the public from September 9, 1991 until November 9, 1991.

The document describes the approach that will be taken to store and treat water in the solar evaporation ponds and the contaminated groundwater in the interceptor trench system northeast of the existing solar ponds.

For more information, contact Michael McHugh, Community Relations Plan Information Coordinator, EG&G Rocky Flats, Building T 130-F, P.O. Box 464, Golden, CO 80402-0464; (303) 966-6158.

The complete document is available at the locations listed on the right.
