Public Access to FUSRAP Elimination Reports

John Carter, AD-234.1

I am attaching reports for the evaluation and elimination of a number of sites from the Department's Formerly Utilized Sites Remedial Action Program (FUSRAP). Please enter this material into the Public Reading Room at the Forrestal Building. This process completes FUSRAP activities at these facilities. Our protocol requires that these FUSRAP records be available in the Public Reading Room for at least 3 years; however, if possible, they should be retained for 5 years.

This package contains information supporting the elimination of the following facilities:

Former Herring-Hall-Marvin Safe Company
1550 Grand Boulevard
Hamilton, Ohio

Former Quality Hardware and Machine Company
5823/5849 North Ravenswood Avenue
Chicago, Illinois

Former ERA Tool and Engineering Company
4555 West Addison
Chicago, Illinois

Former R. Krasberg and Sons Manufacturing Company
2501 West Homer
Chicago, Illinois

Former William E. Pratt Manufacturing
18 Henderson Street
Joliet, Illinois

Former C-B Tool Products Company
956 East 58th Street
Chicago, Illinois

Former Revere Copper and Brass Corporation
5851 West Jefferson Street
Detroit, Michigan

Former Wolverine Tube Division
1411 Central Avenue
Detroit, Michigan

If you have any questions regarding this material, please contact
Dr. W. Alexander Williams of my staff at 353-5439.
