

January 2016

Fernald Preserve Visitors Center
7400 Willey Road
Hamilton, Ohio 45013

Month-at-a-Glance

• All programs begin in the Visitors Center •

The Southern Flying Squirrel

January 9, 4:30 to 7:00 p.m.

Did you know the flying squirrel is the most common squirrel in Ohio? They are nocturnal and seldom seen, so most people don't know much about them. Learn all about these "gliding squirrels" during an informative presentation, then take an approximately 2-mile hike with us to explore their natural habitats.

Greeting Card Recycling Craft

January 13–16 and January 20–23, 9:00 a.m. to 5:00 p.m.

Do you have birthday, holiday, or other greeting cards piling up from one year to the next that you can't bear to toss into the recycle bin? Reuse them! Turn those cards into forever keepsakes. Stop by the Visitors Center anytime during the activity dates and we'll show you how. Bring at least 20 used greeting cards.

Full Moon Night Hike

January 23, 7:00 to 9:00 p.m.

Celebrate the first 2016 full moon! Dress warmly for this 2-mile, midwinter night hike under the January Wolf Moon. If you've never taken a late-evening hike before, a full moon is great for experiencing nature at night. Bring your sense of adventure and a flashlight.

Programs may be canceled during inclement weather. For updates, call (513) 648-3330 after 3:00 p.m. on scheduled event days.

Email fernald@lm.doe.gov or call (513) 648-3330 for more information on Fernald Preserve activities.
