

April 2016

Month-at-a-Glance

• All programs begin in the Visitors Center •

Hummingbirds

Saturday, April 16, 2:00 p.m. to 3:00 p.m.

Learn about the only hummingbird that nests east of the Mississippi River—the Ruby-throated hummingbird. We'll discuss some basic backyard tips regarding habitat requirements, feeders, and interesting behaviors to watch for.

Full Moon 'Earth Day' Hike

Friday, April 22, 8:30 p.m. to 10:30 p.m.

Celebrate the Earth! We'll see the earth in the light of the moon as we go on a 3-mile hike celebrating Earth Day. Afterwards, enjoy an optional viewing in the Visitors Center of wildlife pictures and videos on the Fernald Preserve taken from trail cameras.

Frogs

Saturday, April 30, 7:30 p.m. to 9:30 p.m.

Learn to identify frogs and toads by their behavior, appearance, and mating calls. The program will begin with a short presentation inside the Visitors Center. Then off to the wetlands for a toad-ally awesome experience. Please bring a flashlight.
