

December 2016

Fernald Preserve Visitors Center
7400 Willey Road
Hamilton, Ohio 45013

Month-at-a-Glance

• All programs begin in the Visitors Center •

Recycled Greeting Cards Craft

Wednesday through Saturday, December 7 through 10 and 14 through 17 • 9:00 a.m. to 5:00 p.m.

Do you have holiday, birthday, or other greeting cards that pile up from one year to the next? Reuse them by creating holiday decorations or commemorative keepsakes. Stop in and we will show you how. For best results, bring at least 12 cards.

Fernald History

Wednesday through Saturday, December 7 through 10 • 1:00 p.m. to 2:00 p.m.

This program highlights the diverse, changing history of the 1,050-acre Fernald site. Travel through early European settlement, the Cold War, uranium-refining years, site cleanup, and today's extensive environmental restoration. An optional 1-mile hike will follow.

The Southern Flying Squirrel

Sunday, December 11 • 4:30 p.m. to 6:30 p.m.

Did you know the flying squirrel is the most common squirrel in Ohio? Because they are nocturnal and seldom seen, most people don't know much about them. Learn all about these 'gliding squirrels' during an informative presentation. Afterwards, we'll hike a couple of miles to explore their natural habitats.

End-of-Year Hike

Saturday, December 31 • 10:00 a.m. to 3:00 p.m.

Bring your lunch, plenty of drinking water, comfortable walking shoes, and meet us at the Visitors Center. We will embark on a 7-mile hike lasting several hours. Restroom and lunch break included.

Email fernaldd@lm.doe.gov or call (513) 648-3330 for more information on Fernald Preserve activities.
