U.S. Department of Energy To Host Public Meeting About the 2004 Annual Inspection of the Weldon Spring, Missouri, Site

GRAND JUNCTION, CO — The U.S. Department of Energy Office of Legacy Management (DOE-LM) will host a public meeting at the Weldon Spring Site Interpretive Center on Wednesday, April 6, 2005, from 7:00 p.m. to 9:00 p.m. The purpose of the meeting is to discuss the *2004 Annual Inspection Report for the Weldon Spring, Missouri, Site*, and to provide an update on other recent reports, data, and activities that have occurred since last year's meeting.

The Weldon Spring Site Interpretive Center is in southwestern St. Charles County, Missouri, approximately 35 miles west of St. Louis. It is located on Missouri State Route 94, two miles south of the Route 94 and U.S. Highway 40/61 junction.

Copies of the Annual Inspection Report and the ESD report are available in the Administrative Record at the Interpretive Center and on the DOE-LM website at www.LM.doe.gov/land/sites/mo/weldon/weldon.htm.

For further information about the public meeting, please contact Yvonne Deyo at (636) 300-0012
