

Perseid Meteor Shower

As a community asset, the Fernald Preserve will foster wildlife habitat and provide educational opportunities through environmental stewardship.

Shooting Stars

Saturday, August 13, 2011
8:00 p.m. to 11:00 p.m.
Fernald Preserve Visitors Center
7400 Willey Road
Harrison, Ohio 45030

Celebrate an annual celestial event at the Fernald Preserve. This year's peak viewing falls on the same night as a full moon, so in light of the competition, we'll explore moon facts and lore. We'll also use our new telescope, awarded to us by the Cincinnati Observatory, to identify constellations. So, bring lawn chairs, blankets, and your sense of curiosity. Lean back and enjoy the show!

E-mail fernaldd@lm.doe.gov or call (513) 648-6000 for more information on Fernald Preserve activities.
