RE: Original Landfill Monitoring and Maintenance Plan modification request

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed modifications made to the Original Landfill Monitoring and Maintenance Plan, dated September 2009. All the proposed changes are consistent with consultations between CDPHE and the Department of Energy and with the current conditions at the Landfill. Region 8 of the U.S. Environmental Protection Agency has also reviewed these modifications and concurs with this conclusion. The modifications are therefore approved.

Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng
RFLMA Project Coordinator
