

employee. Kathleen Gerber. The office is expected to provide west county residents a limited amount of services, some of which may save a trip to St. Charles.

The services include providing duplicate paid tax receipts, some payment of property taxes, issuance of temporary tax receipts and voter registration. Also available may be applications and information on marriage licenses, building permits, plan review, liquor licenses and insurance.

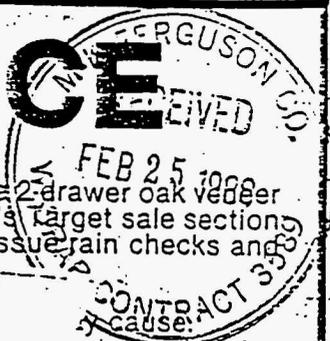

County Data Processing Director Harry Thompson, who is coordinating setting up the

outside will identify the office, Thompson said.

The office space was offered to the county rent free by Rich-

were also offered space by Wentzville and Foristell but opted for the Lake Saint Louis location because of more parking.
