- OSWER 9200.3-02

Title: Implementation Strategy for Reauthorized Superfund: Short Term Priorities for Action (Final)

Date: 10/24/86

Abstract: Provides direction for implementation of Superfund under Superfund Amendments and Reauthorization Act of 1986 (SARA) specifically addresses Remedial and Removal Response Actions and Enforcement. Supplemented by 9200.3-3 and 9360.0-13.

- OSWER 9223.0-1A

Title: Chemical Emergency Preparedness Program (Interim Guidance)

Date: 12/09/85

Abstract: Guidance on how to increase community awareness of chemical hazards and development of State and local emergency response plans. Includes criteria to identify chemicals of concern and list of chemicals meeting those criteria.

- OSWER 9225.0-3

Title: Notification of Restrictions on Reimbursement of Private Party Costs for Removal Actions (Final)

Date: 11/25/85

Abstract: Outlines the restrictive provisions of CERCLA regarding private party reimbursement for removal costs. Directs the Regions to ensure affected communities are informed of provisions.

- OSWER 9230.0-05

Title: Community Relations Requirements for Operable Units (Final)

Date: 10/02/85

Abstract: Discusses impact of dividing remedial activities at a site into operable units as defined by the National Contingency Plan (NCP) on Superfund community relations efforts.

- OSWER 9230.0-3A

Title: Community Relations Superfund: A Handbook (Draft)

Date: 03/05/86

Abstract: Revised version of original handbook. Places increased emphasis on two-way communication in community-relations and particularly stresses need to identify early in Superfund process how communities would like to be involved in site activities.

Title: CERCLA Compliance with Other Environmental Statutes (Final)

Date: 10/02/85

Abstract: Sets forth policy and applicability of standards, criteria, advisories and guidance of other State and Federal environmental and public health statutes to CERCLA.

- OSWER 9234.1-01

Title: CERCLA Compliance with Other Laws Manual
(Draft)

Date: 08/08/88

Abstract: Provides Procedures on Identifying ARARs and Guidance on Interpreting RCRA Requirements. Guidance on RCRA, CWA, SDWA and Groudwater Policy Requirements.

- OSWER 9250.1-01

Title: Policy on Cost Sharing at Publicly Owned Sites
(Final)

Date: 03/30/83

Abstract: Describes CERCLA Section 104(C)(3)(II) requirement that States pay 50% or more response costs associated with facilities owned by States at time of waste disposal. Supplemented by OSWER Directive 9250.2-01.

- OSWER 9283.1-1

Title: Recommendations for Ground Water Remediation at
the Millcreek, PA Site (Final)

Date: 03/24/86

Abstract: Present overall approach to decision-making regarding ground water cleanup at Superfund Sites under development by OERR.

- OSWER 9285.4-01

Title: Superfund Public Health Evaluation Manual
(Final)

Date: 11/07/86

Abstract: Establishes framework to analyze public health risks at Superfund sites and develop design goals for remedial alternatives.

- OSWER 9285.5-1

Title: Superfund Exposure Assessment Manual (Draft)

Date: 01/14/86

Abstract: Presents a methodology to guide three major component analyses required to assess human population exposure: Analysis of toxic contaminant releases, determination of environmental fate, and evaluation of human population exposure to toxic contaminants.

- OSWER 9295.01-01

Title: Memorandum of Understanding (MOU) Between the Agency for Toxic Substances and Disease Registry (ATSDR) and EPA (Final)

Date: 04/02/85

Abstract: Establishes policies and procedures for conducting response and non-response health activities related to releases of hazardous substances. Memorandum of understanding between agency for Toxic Substances and Disease Registry and the EPA.

- OSWER 9330.1-01

Title: Requirements for Selecting an Off-Site Option in a Superfund Response Action (Final)

Date: 01/28/83

Abstract: Addresses RCRA-CERCLA interface for off-site treatment, storage or disposal of hazardous substances. Establishes EPA policy for removal and remedial actions.

- OSWER 9330.1-2

Title: Evaluation of Program and Enforcement-Lead RODs for Consistency with RCRA Land Disposal Restrictions (Final)

Date: 11/26/86

Abstract: Contains survey designed to determine impact of RCRA land disposal restrictions on RODs.

- OSWER 9330.2-01

Title: Procedures for Planning and Implementing Off-Site Response Actions (Final)

Date: 05/06/85

Abstract: Response actions involving off-site storage, treatment or disposal of hazardous substances under CERCLA and RCRA. Prohibits use of RCRA facility for off-site management of Superfund waste, if it has significant RCRA violations. Supplemented by 9330.2-3.

- OSWER 9330.2-3

Title: Guidance on Procedures for Planning and Supplementing Off-Site Response Actions (Final)

Date: 01/17/86

Abstract: Provides follow-up to off-site disposal policy, procedures for planning and implementing off-site response actions, signed by Jack McGraw on May 6, 1985. Explains actions OSWER has or will take to implement policy. Supplements 9330.2-1.

- OSWER 9330.2-5

Title: CERCLA Off-Site Policy: Providing Notice to Facilities (Final)

Date: 05/12/86

Abstract: Guidance on providing notice to commercial treatment, storage and disposal facilities which are deemed ineligible to receive CERCLA response waste.

- OSWER 9340.1-01

Title: Participation of Potentially Responsible Parties in Development of Remedial Investigations (RI) and Feasibility Studies (FS) (Final)

Date: 03/20/84

Abstract: Sets forth policy and procedures governing participation of PRPs in developing of Remedial Investigation/Feasibility Study (RI/FS) under CERCLA.

- OSWER 9340.2-01

Title: Preparation of Decision for Approving Fund-Financed and PRP Remedial Actions Under CERCLA (Final)

Date: 02/27/85

Abstract: Assists Regional Offices in preparation of Record of Decision (ROD) and negotiation decision documents required for approval of fund-financed and potentially responsible parties remedial actions.

- OSWER 9355.0-05C

Title: Guidance on Feasibility Studies Under CERCLA (Final)

Date: 06/01/85

Abstract: Guide providing detailed structure for identifying, evaluating, and selecting remedial action alternatives under CERCLA and the National Contingency Plan (NCP).

- OSWER 9355.0-06B

Title: Guidance on Remedial Investigations Under CERCLA (Final)

Date: 06/01/85

Abstract: Provides guidance on conduct of remedial investigations in support of feasibility studies under Superfund and National Contingency Plan, describes steps in remedial investigation process, and identifies important factors, information, and analysis needs.

- OSWER 9355.0-10

Title: Remedial Action Cost Procedures Manual (Final)

Date: 11/20/85

Abstract: Guidance for preparation of feasibility cost estimates of remedial action alternatives required under revised NCP. Provides managers with procedures for evaluating cost estimates for remedial response to uncontrolled release of hazardous substances.

- OSWER 9355.0-19

Title: Interim Guidance on Superfund Selection of Remedy (Final)

Date: 12/24/86

Abstract: Provides interim guidance regarding implementation of SARA cleanup standards provisions. Highlights new requirements and emphasizes RI/FS and ROD process.

- OSWER 9355.0-4A

Title: Superfund Remedial Design and Remedial Action Guidance (Final)

Date: 06/01/86

Abstract: Provides assistance for parties who plan, administer, and manage remedial designs and remedial actions at Superfund sites. Supersedes 9355.0-4.

- OSWER 9355.07A

Title: Data Quality Objectives Development Guidance for Uncontrolled Hazardous Waste Site Remedial Response Activities (Draft)

Date: 10/30/86

Abstract: Provides guidance in development of Data Quality Objectives (DQOS) for remedial response under CERCLA. Includes Remedial Investigations (RI), Feasibility Studies (FS), Remedial Design (RD) and Remedial Actions (RA). Supersedes 9355.0-7.

- OSWER 9355.1-1

Title: Federal-Lead Remedial Project Management Handbook
(Draft)

Date: 01/27/86

Abstract: Assists EPA Remedial Project Managers in managing Federal-lead remedial response projects. Describes responsibilities of RPM during planning, design, construction, operation, and close-out of projects. Supplements RPM Handbook of State-lead projects.

- OSWER 9355.2-1

Title: State-lead Remedial Project Management Handbook
(Draft)

Date: 01/27/86

Abstract: Assists EPA Remedial Project Managers in managing State-lead projects, describes responsibilities of RPM during planning, design, construction, operation and close-out of remedial response projects. Supplements Federal-lead RPM Handbook.

- OSWER 9355.7

Title: Data Quality Objectives for the RI/FS Process
(Draft)

Date: 11/12/85

Abstract: Guides the user through process of developing data quality objectives for site-specific RI/FS activities that are consistent with CERCLA program objectives.

- OSWER 9360.0-11

Title: Environmental Review Requirements for Removal Actions (Draft)

Date: 11/13/86

Abstract: Describes removal program's procedures for meeting review requirements of the National Environmental Policy Act (NEPA). Supplements 9360.0-3A. Superseded by 9318.0-15.

- OSWER 9360.0-3A

Title: Superfund Removal Procedures - Revision Number Two (Final)

Date: 08/20/84

Abstract: Provides EPA response officials with uniform agency-wide guidance on immediate and planned removal actions. Supersedes Superfund removal guidance revision number one. Supplements Superfund implementation plan for FY 1985. Supplemented by 9360.0-11.

- OSWER 9360.0-6A

Title: Relationship of the Removal and Remedial Programs Under the Revised National Contingency Plan (NCP) (Final)

Date: 03/17/88

Abstract: Supersedes 9360.0-6 (same title). Addresses management issues that may arise between removal and remedial programs in Headquarters and regions when implementing the new program definitions.

- OSWER 9370.0-1

Title: Preliminary Fiscal Year 1987 SPMS Targets (Final)

Date: 08/15/86

Abstract: Sets Superfund SPMS Targets for FY 87. Because of the uncertainties of reauthorization, ask for targets only for certain key measures primarily those which relate to the project completions.

- OSWER 9375.1-04-9

Title: State Participation in the Superfund Remedial Program Manual, Chapter 9, Audits of Response Agreements (Addendum to Manual - Final)

Date: 03/20/86

Abstract: Explains procedures of EPA audit, State's role in decision-making process, and Regional responsibilities for audit resolution and follow-up.

- OSWER 9375.1-04-F

Title: State Participation in the Superfund Program, Volume I: Appendix F, Sample Cooperative Agreement Application Provisions (Final)

Date: 01/05/87

Abstract: Assists Remedial Project Managers (RPMs) and State Project Officers (SPO) in developing Cooperative Agreement Application Provisions and special conditions needed to meet EPA and Superfund enforcement assistance. Supersedes 9375.1-2 APP F(84).

- OSWER 9375.1-04-H

Title: State Participation in the Superfund Program, Volume I, Appendix H: Sample Articles for Superfund State Contracts (Final)

Date: 10/20/86

Abstract: Contains information to assist Remedial Project Managers (RPM) and State Project Officers (SPO) develop articles for Superfund State Contracts (SSC). Supersedes 9375.1-4-H (2/84) and supplements 9375.1-4.

- OSWER 9375.1-04-W

Title: CERCLA Funding of State-Lead Removals (Draft)

Date: 09/29/86

Abstract: Provides guidance for development, implementation and closeout of State-lead cooperative agreements for non-time critical removal actions. Supplements 9375.1-4.

- OSWER 9375.1-2A-2b/d

Title: Appendix B, Action Memorandum Guidance and Appendix E, Model Statement of Work for a State-Lead RI/FS Project in the Superfund Remedial Program (Final)

Date: 12/04/85

Abstract: Provides assistance to Remedial Project Manager's (RPM's) and other regional staff in development of action memoranda. Contains annotated outline of an action memorandum and a model of enforcement status sheet which is prepared as an attachment.

- OSWER 9375.1-4-C

Title: State Participation in the Superfund Program
Volume 1: Appendix C - Documenting State CERCLA
and Advance Match (Final)

Date: 12/31/86

Abstract: Provides guidance on identification and application of CERCLA Section 104(C) (3) Credits and Advance Match Funds Toward a State's Cost Share for Response Actions. Supersedes 9375.1-4-C of 5/2/86.

- OSWER 9375.1-4-F

Title: State Participation in the Superfund Program, Manual, Volume 1: Appendix F, Sample Cooperative Agreement Application Provisions (Final)

Date: 07/22/86

Abstract: Provides special assistance to State and local staff for developing cooperative agreement provisions during a state-lead response. Supersedes 9375.1-2 APP F (1984)

- OSWER 9375.1-4-N

Title: State Participation in the Superfund Program, Volume 1, Appendix N: How To Obligate CERCLA Funds for State and Federal-Lead Response (Final)

Date: 08/22/86

Abstract: Describes special accounting procedures under CERCLA response agreements. Supplements general instructions for Superfund in EPA Financial Management Manual. Supplements 9375.1-2A APP N and 9375.1-4 APP N.

- OSWER 9375.1-4-P

Title: State Participation in the Superfund Program Manual: Appendix P - Superfund Supplemental Guidance (Final)

Date: 03/06/86

Abstract: Provides directives that are pertinent to Superfund implementation as means of ensuring that State/Regional officials are apprised of such guidance as soon as possible. Supersedes 9375.1-2A.

- OSWER 9375.1-4-T

Title: State Participation in the Superfund Program,
Volume 1, Appendix T: Obtaining and Disposing of
Equipment Under a CERCLA Cooperative Agreement
(Final)

Date: 11/21/86

Abstract: Explains requirements for obtaining and
disposing of equipment under CERCLA cooperative
agreements. Also addresses Types of equipment
to be used during pre-remedial and remedial
actions. Supersedes 9375.1-4-T of August 1985

- OSWER 9375.1-4-U

Title: State Participation in the Superfund Program,
Volume 1, Appendix U: Cost Documentation
Requirements for Cooperative Agreements (Final)

Date: 09/11/86

Abstract: Provides guidance to Remedial Project Managers
on cataloging, filing and maintaining
documentation of response costs incurred by
states during State-lead response. Supplements
9375.1-4.

- OSWER 9380.0-3

Title: Guidance Document for Cleanup of Surface Tank
and Drum Sites (Final)

Date: 05/28/85

Abstract: Designed to assist on-scene Federal, State, and
local officials and private firms that plan and
implement remedial actions at National
Priorities List (NPL) sites.

- OSWER 9380.0-6

Title: Guidance Document for Cleanup of Surface Impoundment Sites (Final)

Date: 06/01/86

Abstract: Addresses remedial actions for cleanup of pits, ponds, or lagoons containing hazardous wastes. To be used under direction of engineer or scientist experienced in hazardous waste remedial project.

- OSWER 9441.05(84)

Title: Listing of Residue From the Treatment of a Listed Hazardous Waste (Final)

Date: 02/19/84

Abstract: Explains regulations covering residues sludge and scrubber brines generated in the treatment of hazardous waste, including storage of such liquid waste in lagoons or surface impoundments.

- OSWER 9441.06(81)

Title: Operation of the Mixing Rule (Final)

Date: 06/09/81

Abstract: Describes the details of the mixing rule for hazardous and non-hazardous wastes, pertinent to Section 261.3(A)(2)(III) and waste characteristics detailed in Section 261.

- OSWER 9441.25(85)

Title: Scope of the Term "Abandoned" Under Revised 40 CFR 261.2 (Final)

Date: 07/01/85

Abstract: Explains that leachate from a stored substance is considered as abandoned and would be defined as solid waste.

- OSWER 9443.09(84)

Title: Hazardous Waste Identification: Three Questions
(Final)

Date: 11/29/84

Abstract: Clarifies regulations for three specific types
of hazardous wastes: corrosive waste
commercial chemical products and reactive waste.

- OSWER 9453.01(84)

Title: Applicability of EPA's Hazardous Waste Marking
Requirement (262.32) To State-Regulated Wastes
(Final)

Date: 05/18/84

Abstract: Explains that states may expand their universe
of regulated wastes to cover additional wastes
not defined as hazardous under Section 261.
States may require other regulations such as
marking of State-regulated wastes.

- OSWER 9472.00-1

Title: Permit Writers' Guidance Manual For Hazardous
Waste Land Storage and Disposal Facilities-Phase
1: Criteria for Location Acceptability and
Existing APPL (Draft)

Date: 02/01/86

Abstract: Guidance in defining acceptable physical
locations for hazardous waste land treatment
facilities: cites regulations and statutes.

- OSWER 9472.00-2A

Title: Statutory Interpretative Guidance: Criteria for
Identifying Areas of Vulnerable Hydrogeology
(Draft)

Date: 07/01/86

Abstract: Specifies method developed by EPA for
determining ground water vulnerability at
hazardous waste facilities.

- OSWER 9472.00-3

Title: Technical Guidance Document: Construction Quality Assurance For Hazardous Waste Land Disposal Facilities (Final)

Date: 07/01/86

Abstract: Presents guidance for preparing site-specific construction Quality Assurance (QA) plans for hazardous waste disposal facilities, including landfills, surface impoundments and wastepiles.

- OSWER 9476.00-3

Title: Financial Assurance for Closure and Post-Closure Care-Requirements for Owner/Operators of Hazardous Waste Treatment, Storage, and Disposal (Final)

Date: 05/07/82

Abstract: (Title Cont. ...Facilities, A Guidance Manual.) Provides guidance to owners and Operators in complying with requirements for financial assurance for closure/post-closure care.

- OSWER 9476.00-5

Title: RCRA Guidance Manual for Subpart G Closure and Post-Closure Care Standards and Subpart H Cost Estimating Requirements (Final)

Date: 01/01/87

Abstract: Manual to implement closure and post-closure care regulations and to prepare closure plans and cost estimates which satisfy 40 CFR Parts 264 and 265 Subpart G and Subpart H.

- OSWER 9476.00-6

Title: Final Report Guidance Manual: Cost Estimates for Closure and Post-Closure Plans (Sub-Parts G and H) Volume III: Unit Costs (Final)

Date: 11/01/86

Abstract: Contains guidance on preparing cost estimates for closure and post-closure of various hazardous waste facility situations, including tank system and incinerators.

- OSWER 9480.00-4

Title: Lining of Waste Impoundment and Disposal Facilities (Final)

Date: 03/01/83

Abstract: Details the major aspects of liners used for disposal facilities. Procedures are presented as to the selection, manufacture, construction, and use of the major types of liners to minimize the possibility of adverse environmental effects.

- OSWER 9480.01(85)

Title: Applicability of the HSWA Minimum Technological Requirements Respecting Liners and Leachate Collection Systems (Final)

Date: 04/01/85

Abstract: Outlines most critical factors for determining applicability of minimum technological requirements for liners and leachate collection systems at landfills, surface impoundments and waste piles.

- OSWER 9480.03(85)

Title: Technical Justification for Closure Within 30 Days of Last Receipt of Hazardous Waste (Final)

Date: 08/02/85

Abstract: Describes design and operating standards required to minimize the formation and migration of leachate to adjacent subsurface soil ground water or surface water.

- OSWER 9481.12(84)

Title: Ground Water Monitoring of a Land Treatment Unit (LTU) Overlaying a Closed Industrial Landfill (Final)

Date: 11/08/84

Abstract: Leakage from LTU Overlaying a closed industrial landfill is likely to enter the landfill. One ground water monitoring system is appropriate for both units.

- OSWER 9488.02(85)

Title: Summary of EPA's Regulations Concerning Disposal of Dioxin-Contaminated Wastes by incineration or Landfilling (Final)

Date: 01/14/85

Abstract: States that all dioxin contaminated waste must be sent to facilities certified to handle dioxin wastes. Incinerators must have permit under TSCA to incinerate PCBs and interim status under RCRA. Landfills are limited to solid materials.

- OSWER 9488.04(85)

Title: Modification of Incineration Permits to Burn Dioxin Wastes (Final)

Date: 05/20/85

Abstract: States that an existing permit does not need to be modified to incorporate revised Part 264 regulations if the permit states that the incinerator may burn specific dioxin wastes.

- OSWER 9830.2

Title: Regional Oversight of Federal Facility Cleanups
Under CERCLA (Final)

Date: 11/25/85

Abstract: Directs EPA regions to focus efforts on NPL
Federal Facilities and describes direction and
reauthorization for Federal Facilities,
including clearer definition of EPA's role and
authority.

- OSWER 9831.1-A

Title: CERCLA Funding of State Oversight of Potentially
Responsible Parties (PRPs) (Final)

Date: 01/17/86

Abstract: Outlines conditions States must meet to receive
funding from EPA, and fundable oversight tasks
that are allowed. Funding covers remedial
investigations, feasibility studies and remedial
design at NPL sites. Superseded by 9831.1-1A.

- OSWER 9831.1-1A

Title: CERCLA Funding of Oversight of Potentially
Responsible Parties by States at National
Priorities List sites (Interim Final)

Date: 10/01/86

Abstract: Contains policy and procedures for funding
States in support of their oversight of private
party response actions. Merges two previous
oversight funding guidances. Supersedes
9831.1. and 9831.1-a.

- OSWER 9831.3

Title: CERCLA Funding of Private Party Search, Notification, Negotiation, and Litigation Efforts by States at National Priorities List Sites (Interim Draft)

Date: 10/01/86

Abstract: Provides detailed guidance on funding of private party search and notification, negotiation, administrative action and litigation efforts to encourage or compel hazardous waste cleanups.

- OSWER 9831.3

Title: EPA - State Relationship in Enforcement Actions for Sites on the NPL (Final)

Date: 10/02/84

Abstract: Establishes mechanism for coordination during enforcement actions at National Priorities List (NPL) Sites and issues to be resolved between EPA and ASTSWMO. Joint Policy Memo.

- OSWER 9831.4

Title: Funding of State Enforcement Activities (Final)

Date: 01/23/85

Abstract: Announces that funding can be provided to support a limited number of enforcement-related activities according to a 7/20/84 OGC opinion.

- OSWER 9831.5

Title: Authority to Use CERCLA to Provide Enforcement Funding Assistance to States (Final)

Date: 02/12/86

Abstract: Explains status of guidance for funding state negotiation and litigation activities at NPL sites.

- OSWER 9832.0

Title: Cost Recovery Referrals (Final)

Date: 08/03/83

Abstract: Contains basic rules for handling and documenting upcoming Section 107 referrals.

- OSWER 9832.1

Title: Cost Recovery Actions Under CERCLA (Final)

Date: 05/30/86

Abstract: Contains procedures for processing and negotiating cost recovery claims. Mechanics of repayment of any recovery to Superfund, and description of assembly and maintenance of a file, and file elements.

- OSWER 9832.2

Title: Coordination of EPA and State Actions in Cost Recovery (Final)

Date: 08/29/83

Abstract: Outlines considerations for promoting Federal/State relations in their cost recovery efforts. Provides guidance in preparing conditions to cooperative agreements.

- OSWER 9832.3

Title: Timing of CERCLA Cost Recovery Actions (Final)

Date: 10/07/85

Abstract: Provides guidance on timely initiation of cost recovery actions that should be initiated under CERCLA 107 and guidance on orderly planning and management processes for cost recovery. Intended to assist EPA Regional Offices. Superseded by 9832.9.

- OSWER 9832.4

Title: Procedures for Documenting Costs for CERCLA Section 107 Actions (Final)

Date: 01/30/85

Abstract: Outlines procedures for documenting costs for CERCLA Section 107 cost recovery actions, including cooperation between headquarters and regional program, legal and financial offices. Use with case development handbook. Updated by 9832.8.

- OSWER 9832.5

Title: Policy on Recovering Indirect Cost in CERCLA Section 107 Cost Recovery Actions (Final)

Date: 06/27/86

Abstract: Clarification of EPA policy regarding recovery of indirect costs in CERCLA Cost Recovery Actions.

- OSWER 9832.6

Title: Small Cost Recovery Referrals (Final)

Date: 07/12/85

Abstract: EPA policy on referring CERCLA cost recovery cases valued at less than \$200,000. Under certain situations, referring small cost recovery actions is appropriate.

- OSWER 9832.7

Title: Guidance Regarding CERCLA Enforcement Against Bankrupt Parties (Final)

Date: 05/24/84

Abstract: Assists regions in developing CERCLA enforcement actions against bankrupt parties. Encourages aggressive enforcement against insolvent parties and insures national consistency in current and future bankruptcy cases brought by EPA. Supplemented, by 9832.8.

- OSWER 9832.8

Title: Revised Hazardous Waste Bankruptcy Guidance
(Final)

Date: 03/23/86

Abstract: Supplements OSWER directive 9832.7. Updates
May 24, 1984 guidance "CERCLA enforcement
against bankrupt parties" and bankruptcy
guidelines in cost recovery handbook
"procedures for documenting costs for CERCLA
Section 107 Actions", January 30, 1985.

- OSWER 9832.9

Title: Cost Recover Actions/Statute of Limitations
(Final)

Date: 06/12/87

Abstract: Updates EPA's policy on timing cost recovery
action. Request that personal attention be
brought to accuracy of data used to brief
Congress on status of cost recovery efforts at
sites.

- OSWER 9833.0

Title: Guidance on the Use and Issuance of Administrative
Orders Under Section 106 (Final)

Date: 05/30/86

Abstract: Contains information to assist EPA regional
offices to develop and maintain effective
CERCLA administrative enforcement program.

- OSWER 9833.2

Title: Consent Orders and the Reimbursement Provision
Under Section 106(B) of CERCLA (Final)

Date: 06/12/87

Abstract: When EPA enters into agreement with PRPs under
Section 106(B) of CERCLA, the consent agreement
should include provision which prevents PRPs
from receiving reimbursement for response
actions.

- OSWER 9833.3

Title: Administrative Records for Decisions on Selection of CERCLA Response Actions (Final)

Date: 05/29/87

Abstract: Inform regions of steps which must be implemented to assemble administrative records for selection of response actions. Gives suggested list of documents which should be included in the records.

OSWER 9834.1

Title: Guidance on Issuance of Notice Letters (Final)

Date: 10/12/84

Abstract: Provides guidance on preparing and issuing notice letters. Reflects EPA policy on allowing potentially responsible parties to conduct remedial investigations and feasibility studies.

- OSWER 9334.11

Title: Revised Procedures for Implementing Off-Site Response Actions (Final)

Date: 11/13/87

Abstract: This directive describes procedures that should be observed when a response action under CERCLA or Section 7003 of RCRA involves the off-site treatment, storage, or disposal of CERCLA waste.

- OSWER 9834.2

Title: Timely Initiation of Responsible Party Searches, Issuance of Notice Letters and Releases of Information (Final)

Date: 10/09/85

Abstract: Reemphasizes importance of early identification of potentially responsible parties (PRPs) and timely issuance of notice letters from Remedial Investigations/Feasibility Studies (RI/FS). Supplements CERCLA settlement policy OSWER directives 9835.0.

- OSWER 9834.3

Title: Procedures for Identifying Responsible Parties:
Uncontrolled Hazardous Waste Sites - Superfund
(Final)

Date: 02/01/82

Abstract: Provides guidance to EPA staff who must
identify potentially responsible parties
(PRPs) and obtain documentation to corroborate
the identification.

- OSWER 9834.5

Title: Procedural Guidance on Treatment of Insurers Under
CERCLA (Final)

Date: 11/21/85

Abstract: Provides EPA Regional Officers with the
appropriate procedures to follow in issuing
notice letters, developing referrals, and
tracking CERCLA enforcement cases that may
include insurers as third party defendants.

- OSWER 9834.7

Title: Interim Guidance on Settlements with De Minimis
Waste Contributors Under Section 122 (G) of SARA
(Final)

Date: 06/19/87

Abstract: Interim guidance for determining which PRP's
qualify for treatment as De Minimis waste
contributors pursuant to Section 122(G)(I)(A)
of SARA. Presents interim guidelines for
settlement with such De Minimis parties
pursuant to Section 122(G) of SARA.

- OSWER 9835.0

Title: Interim CERCLA Settlement Policy (Final)

Date: 12/05/84

Abstract: Governs private party cleanup and contribution proposals under CERCLA. Establishes criteria for evaluating private party settlement proposals to conduct or contribute to removal and remedial response actions. Supplemented by OSWER directives 9835.2 and 9834.2.

- OSWER 9835.1

Title: Participation of Potentially Responsible Parties in Development of Remedial Investigations and Feasibility Studies (Final)

Date: 03/20/84

Abstract: Outlines policy and procedures governing participation of potentially responsible parties (PRPs) in development of Remedial Investigations and Feasibility studies under CERCLA.

- OSWER 9835.2

Title: Guidance on Drafting Consent Decrees in Hazardous Waste Cases (Final)

Date: 05/01/85

Abstract: Focuses on consent decree provisions which are vital to settlement in hazardous waste cases, but which are handled under other programs. Supplements "Interim CERCLA Settlement Policy." Supplements OSWER Directive 9835.0.

- OSWER 9835.4

Title: Interim Guidance: Streamlining the Settlement Decision Process (Final)

Date: 02/12/87

Abstract: Addresses three areas of the settlement process: 1) Negotiation preparation; 2) Management Review; and 3) Criteria for terminating or continuing negotiations.

- OSWER 9836.0

Title: Interim Guidance on Community Relations in Enforcement (Final)

Date: 05/22/85

Abstract: Establishes policy and process for conducting community relations activities at Superfund enforcement sites. Supplemented by 9836.1.

- OSWER 9836.1

Title: Community Relations Activities at Superfund Enforcement Sites (Final)

Date: 08/28/85

Abstract: Supplements interim guidance on community relations during enforcement. Clarifies role of Potentially Responsible Parties (PRPs) in community relations. Clarifies public comment periods for administrative orders. Supplements 9836.0.

- OSWER 9837.0

Title: RCRA/CERCLA Case Management Handbook (Final)

Date: 08/08/84

Abstract: Provides guidance on development and management of RCRA and CERCLA judicial actions. Addresses identifying cases for referral, pre-referral case development, case management and technical support for litigation.

- OSWER 9837.1

Title: Preparation of Hazardous Waste Referrals (Final)

Date: 07/30/85

Abstract: Implementation of the case management handbook indicates that filing by DOJ has been delayed following problems: Demand letters, settlement negotiations, financial viability of potential defendants, endangerment assessment, and cost documentation.

- OSWER 9850.2

Title: General Toxicology Handbook (Final)

Date: 05/30/86

Abstract: Explains principles of toxicology relevant to hazardous waste site investigation to a non-toxicologist. Also includes endangerment assessment handbook.

- OSWER 9850.3

Title: Chemical, Physical and Biological Properties of Compounds Present at Hazardous Waste Sites (Final)

Date: 05/30/86

Abstract: Contains profiles of 184 substances found at hazardous waste sites. Each profile describes modes of toxic action and concentrations which cause toxic effects.

- OSWER 9883.1

Title: Issuance of Administrative Orders for Immediate Removal Actions (Final)

Date: 02/21/84

Abstract: Contains guidance on issuing administrative orders for immediate removal actions under CERCLA. To be used with guidance memorandum dated September 8, 1983.

- OSWER 9891.1

Title: Expanded Civil Judicial Referral Procedures (Final)

Date: 08/28/86

Abstract: Memo to provide guidance on procedures for civil judicial referrals to Dept. of Justice (DOJ). Expands current direct referral program.

- OSWER 9891.3

Title: EPA Policy on the Inclusion of Environmental Auditing Provisions in Enforcement Settlements. (Final)

Date: 11/14/86

Abstract: Agency enforcement personnel criteria and guidance on selecting judicial and administrative enforcement cases which EPA seeks to include environmental auditing provisions among terms of settlement. Supplements guidance for drafting judicial consent decrees.

- OSWER 9891.3A

Title: State Enforcement Activities at National Priorities List Site (Final)

Date: 04/20/88

Abstract: State Enforcement Activities at NPL Sites: Clarification of Available Resources and Identification of Sites for 175 RA Start Goal.

II. United States Environmental Protection Agency Reports

These reports are available in the library of the U.S. Environmental Protection Agency's Region VII Office at 726 Minnesota Avenue, Kansas City, Kansas.

- EPA Report #SW-846

Title: Test Methods for Evaluation of Solid Waste:
Physical/Chemical Methods 3rd Ed.

Date: 11/86

Issuing Office: EPA OSWER, Washington, D.C.

Abstract: Manual for test procedures used to evaluate solid waste to determine if hazardous according to RCRA, Vol. 1A-1C laboratory manual, Vol. 2 field manual lists methods for collecting samples, determining reactivity, ignitability, composition, and mobility.

- EPA Report #SW-868

Title: Hydraulic Simulation on Solid Waste Disposal Sites

Date: 1982

Issuing Office: EPA OSW, Washington, D.C.

- EPA Report #SW-871

Title: Management of Hazardous Waste Leachate

Date: 9/82

Issuing Office: EPA OSWER, Washington, D.C.

Abstract: Management options available for controlling, treating, disposing of hazardous waste leachate. Includes leachate generation, characteristics, options for treatment, technology profiles. Treatability data, by-products and costs.

- EPA Report #SW-924

Title: Solid Waste Leaching Procedure Manual

Date: 3/84

Issuing Office: EPA OSWER, WERL, Cincinnati, OH

- EPA Report #SW-925

Title: Soil Properties, Classification and Hydraulic Conductivity Testing

Date: 3/84

Issuing Office: EPA OSWER/WERL, Cincinnati, OH

- EPA Report #530-SW-84-001

Title: Procedures for Modeling Flow Through Clay Liners to Determine Required Liner Thickness

Date: 4/84

Issuing Office: EPA OSWER, Washington, D.C.

- EPA Report #530-SW-84-010
Title: The Hydrologic Evaluation of Landfill Performance
(HELP) Model (Volume 2)
Date: 6/84
Issuing Office: EPA OSWER/WERL, Cincinnati, OH

- EPA Report #530-SW-85-003
Title: Petitions to Delist Hazardous Wastes: A Guidance
Manual
Date: 4/85
Issuing Office: EPA OSWER, Washington, D.C.

Abstract: Describes all necessary data which must be included in
delisting petition submitted under 40 CFR 260.22
includes sample petition as well as necessary test
methods.

- EPA Report #530-SW-85-007
Title: Asbestos Waste Management Guidance: Generation,
Transport and Disposal
Date: 5/85
Issuing Office: EPA OSWER/OSW, Washington, D.C.

- EPA Report #530-SW-85-014
Title: Draft Minimum Technology Guidance on Double Liner Systems
for Landfills and Surface Impoundment - Design, Construction, and
Operation (Second Version)
Date: 5/24/85
Issuing Office: EPA

Abstract: See "Title".

- EPA Report #530-SW-85-021
Title: Construction Quality Assurance for Hazardous Waste
Land Disposal Facilities
Date: 11/85
Issuing Office: EPA OSWER/OSW, Washington, D.C.

- EPA Report #600-D-81-104
Title: Stabilization, Testing and Disposal of Arsenic-
Containing Wastes
Date: 8/82
Issuing Office: EPA ORD/WERL, Cincinnati, OH

- EPA Report #600-D-84-023
Title: Emergency Response Procedures for Control of
Hazardous Substance Release
Date: 1983
Issuing Office: EPA ORD/HWERL, Edison, N.J.

Abstract: Provides information for selecting spill stabilization
controls for hazardous substance regulated by CERCLA.

- EPA Report #600-S2-84-015

Title: Compatibility of Grouts with Hazardous Waste

Date: 1/84

Issuing Office: EPA ORD/WERL, Cincinnati, OH

- EPA Report #600-S4-84-038

Title: Characterization of Hazardous Waste Sites - A
Methods Manual, Volume III: Available Laboratory
Analytical Methods Project Summary

Date: 6/84

Issuing Office: EPA ORD, Las Vegas, NV

- EPA Report #600-X-84-170

Title: Survey of Mobile Laboratory Capabilities and
Configurations

Date: 1984

Issuing Office: EPA ORD/EMSL, Las Vegas, NV

Abstract: Survey of articles, conference proceedings, and
specialists to identify mobile laboratories,
analytical capabilities in emergency and remedial
response efforts. Includes design specifications.

- EPA Report #600-2-78-142

Title: Guidance Manual for Minimizing Pollution From
Waste Disposal Sites

Date: 8/78

Issuing Office: EPA ORD/WERL, Cincinnati, OH

Abstract: Helps select technology to reduce or eliminate
leachate at existing dumps and landfills. Describes
remedial measures used during or after closure in the
following categories: ground water or plume
management, chemical immobilization of wastes,
excavation.

- EPA Report #600-2-81-187

Title: Use of Remote Sensing Techniques in a Systematic
Investigation of Hazardous Waste Sites

Date: 9/81

Issuing Office: EPA ORD/WERL, Cincinnati, OH

- EPA Report #600-2-82-035

Title: Costs of Remedial Response actions at Uncontrolled
Hazardous Waste Sites

Date: 1981

Issuing Office: EPA OSWER/WERL, Cincinnati, OH

Abstract: Updates conceptual design cost estimates for remedial
action unit operations described in earlier reports.
Emphasizes uncontrolled landfill or impoundment
disposal sites in New Jersey.

- EPA Report #600-2-83-076

Title: Handbook for Evaluating Remedial Action Technology
Plans (Final Report: Oct. 81-June 82)

Date: 8/83

Issuing Office: EPA ORD/WERL, Cincinnati, OH

Abstract: Contains information on over 50 remedial action technologies.

- EPA Report #600-2-83-088

Title: Feasibility of In-Situ Solidification/Stabilization of
Landfilled Hazardous Wastes

Date: 9/83

Issuing Office: EPA ORD/WERL, Cincinnati, OH

- EPA Report #600-2-84-057

Title: Design and Development of Hazardous Waste
Reactivity Testing Protocol

Date: 2/84

Issuing Office: EPA ORD/HWERL, Cincinnati, OH

Abstract: Describes test protocol for determining the gross chemical composition of waste materials at uncontrolled hazardous waste sites. Includes a field test kit, flow diagrams, descriptive manual, and mixing device to observe effects of mixing two hazardous wastes.

- EPA Report #600-2-85-028

Title: Guide for Decontaminating Buildings, Structures,
and Equipment at Superfund Sites

Date: 3/85

Issuing Office: EPA ORD/HWERL, Cincinnati, OH

Abstract: Covers decontamination methods, types of contaminants, site-specific technology selection, effectiveness evaluation, case studies, and worker health and safety.

- EPA Report #600-2-85-057

Title: Evaluation of Air Emissions from Hazardous Waste
Treatment, Storage, and Disposal Facilities

Date: 5/85

Issuing Office: EPA ORD/HWERL, Cincinnati, OH

Title: Practical Guide for Ground-Water Sampling

Date: 9/85

Issuing Office: EPA ORD, Washington, D.C.

- EPA Report #600-2-85-105

Title: Decontamination Techniques for Mobile Response
Equipment Used at Waste Sites (State-of-the-Art
Survey) Final Report

Date: 1/86

Issuing Office: EPA ORD/HWERL, Cincinnati, OH

Abstract: State-Of-the-Art review of facility and equipment decontamination, contamination assessment, and contamination prevention. Based on literature search and survey manufacturers.

- EPA Report #600-2-86-013

Title: Drum Handling Practices at Hazardous Waste Sites

Date: 1/86

Issuing Office: EPA ORD/HWERL, Cincinnati, OH

Abstract: Provides detailed technical guidance on methods, procedures, and equipment suitable for removing drummed wastes. Includes data on locating buried drums, excavation, on-site transfer, waste consolidation, and temporary storage.

- EPA Report #600-2-86-050

Title: Practical Guide-Trial Burns for Hazardous Waste Incinerators: Project Summary

Date: 7/86

Issuing Office: EPA OSWER/HWERL, Cincinnati, OH

Abstract: Concentrates on the important and troublesome aspects of trial burns.

- EPA Report #600-3-83-063

Date: 12/85

Issuing Office: EPA OERR/CERI, Cincinnati, OH

- EPA Report #600-4-84-043

Title: Soil Sampling Quality Assurance User's Guide

Date: 5/84

Issuing Office: EPA ORD/EMSL, Las Vegas, NV

Abstract: Presents analyses of variance of soil monitoring data, methods of calculating numbers of soil samples, possible application of kriging and assignment of control limits to QA, QC data.

- EPA Report #600-4-84-065

Title: Geophysical Methods for Locating Abandoned Wells

Date: 5/84

Issuing Office: EPA ORD/EMSL, Las Vegas, NV

Abstract: Joint Study with U.S. G.S. on feasibility of using geophysical methods to find abandoned wells containing steel casings. Magnetic methods promising effective electrical techniques may be used instead.

- EPA Report #600-4-85-048
Title: Sediment Sampling Quality Assurance User's Guide
Date: 7/85
Issuing Office: EPA ORD/EMSL, Las Vegas, NV

Abstract: Overview of selected sediment models presented as
foundation for stratification of study of regions and
selection of locations for sampling sites, methods of
sampling, sample preparation, and analyses.
Discussion of rivers, lakes, and estuaries.

- EPA Report #600-7-84-064
Title: Geophysical Techniques for Sensing Buried Wastes
and Waste Migration
Date: 1984
Issuing Office: EPA ORD/EMSL Las Vegas, NV

Abstract: Describes six geophysical techniques for sensing
buried waste migration.

- EPA Report #600-8-86-017
Title: Treatment Technology Briefs: Alternatives to
Hazardous Waste Landfills
Date: 7/86
Issuing Office: EPA ORD/HWERL, Cincinnati, OH

Abstract: Summary of current technology other than landfill and
containment. Biological treatments, centrifugation,
oxidation, absorption, injection, ozonation,
neutralization, steam stripping, ultraviolet
photolysis, plasma systems, and many others.

TITLE: 1984/1985 Hazardous Materials, Substances and
Wastes Compliance Guide
DATE: 1984/1985
ABSTRACT: Provides Guidance on Hazardous Materials,
Regulations, Emergency Response, Standards for
Generators, Transporters, etc.

TITLE: Rotary Kiln Incineration of Contaminated Soil
DATE: 1984
ABSTRACT: A Paper Presented to U.S. EPA Region VII on Soil
Incineration.

TITLE: Research and Development: Health Effects
Assessment For: (Various Contaminants)
DATE: 1984
ABSTRACT: File Includes EPA Generated Health Effects
Assessment Documents for Many Individual
Contaminants.

TITLE: Priority Pollutant Criteria Table
DATE: 1984
ABSTRACT: Toxicity Data and Water Criteria for
Pollutants.

TITLE: Dangerous Properties of Industrial Materials
DATE: 1984
ABSTRACT: Toxicity Data of Chemicals and Health Regulation Levels.

TITLE: Slurry Trench Construction For Pollution Migration Control
DATE: 1984
ABSTRACT: This Handbook Describes How Barriers can be Employed for Waste Site Remediation and Presents the Theory of Their Function and Use.

TITLE: DD7
DATE: 1984
ABSTRACT: This Report Presents a Brief Summary and Evaluation of Information Relevant to a Preliminary Interim Assessment of Adverse Health Effects Associated with DD7.

TITLE: Remedial Response At Hazardous Waste Sites
DATE: 1984
ABSTRACT: This Report Identifies and Assesses the Various Types of Site Response Activities Which have been Implemented, are in Progress, or have been Proposed to Date at Uncontrolled Hazardous Waste Sites Across the United States.

TITLE: Incineration of Explosives Contaminated Soil
DATE: 1984
ABSTRACT: A Paper Presented at the 1984 American Defense Preparedness Association.

TITLE: Superfund Administrative Orders
DATE: 1984
ABSTRACT: Workshop and Guidance Materials.

TITLE: RCRA/CERCLA Case Management Handbook
DATE: 8/84
ABSTRACT: See "Title".

TITLE: Ground Water Protection Strategy
DATE: 8/84
ABSTRACT: Provides a common reference for responsible institutions as they work toward the shared goal of preserving for current and future generations, clean ground water for drinking and other uses, while protecting the public health of citizens who may be exposed to the effects of past contamination.

- TITLE:** Superfund Remedial Program Financial Management Authority, Responsibilities and Procedures
DATE: 9/84
ABSTRACT: See "Title".
- TITLE:** Review of In-Place Treatment Techniques for Contaminated Surface Soils, Volume 1
DATE: 9/84
ABSTRACT: Provide State-of-the-Art information on in-place treatment technologies for soils contaminated to a shallow depth technical evaluation (Vol. 1).
- TITLE:** Assessment and Management Framework for Decision Making
DATE: 12/84
ABSTRACT: See "Title".
- TITLE:** Characterization of Hazardous Waste
DATE: 12/84
ABSTRACT: Compilation of sampling methods and materials.
- TITLE:** Draft Guidance For Remedial Investigations
DATE: 12/84
ABSTRACT: See "Title".
- TITLE:** CERCLA Compliance/Enforcement Policy Compendium
DATE: 12/84
ABSTRACT: See "Title".
- TITLE:** Hazardous Materials, Substances and Wastes Compliance Guide (1984/1985)
DATE: 1985/1984
ABSTRACT: Provides guidance on hazardous materials, regulations, emergency response, standards for generators, transporters, etc.
- TITLE:** Modeling Remedial Actions at Uncontrolled Hazardous Waste Sites
DATE: 1985
ABSTRACT: Quantitative modeling of hazardous waste site is examined.
- TITLE:** Community Relations Handbook
DATE: 1985
ABSTRACT: See "Title".
- TITLE:** Leachate Plume Management
DATE: 1985
ABSTRACT: This document addresses several aspects of leachate plume migration, remediation, and management.

- TITLE:** Technical Background Document to Support Rulemaking Pursuant to CERCLA Section 102, Volume 1
DATE: 1985
ABSTRACT: Provides the US EPA with the technical background required to adjust the reportable quantities of hazardous substances designed in Section 101 (14) of the CERCLA.
- TITLE:** Guidance on Feasibility Studies Under CERCLA
DATE: 1985
ABSTRACT: Provides guidance for the preparation of feasibility studies required under the revised NCP.
- TITLE:** Superfund Handbook
DATE: 1985
ABSTRACT: An overview of CERCLA regulations, 1985 reauthorization, National Contingency Plan and EPA Interim Settlement Plan.
- TITLE:** Land Disposal of Hazardous Waste
DATE: 1985
ABSTRACT: Proceedings of the eleventh annual research symposium.
- TITLE:** Toxicology Handbook
DATE: 1985
ABSTRACT: Explains to non-toxicology trained personnel those principles of toxicology relevant to hazardous waste site investigations.
- TITLE:** Land Disposal, Remedial Action Incineration and Treatment of Hazardous Waste
DATE: 1985
ABSTRACT: Eleventh annual research symposium outline.
- TITLE:** Characterization of Hazardous Waste Sites
DATE: 1985
ABSTRACT: Available sampling methods.
- TITLE:** Environmental Exposure from Chemicals, Volume 1
DATE: 1985
ABSTRACT: Addressed the Physical and Chemical Properties of a Material and How these Influence the Degradation and Dissipating Reactions.
- TITLE:** Hazardous Waste and Environmental Emergencies
DATE: 1985
ABSTRACT: Proceeding of the National Conference Hazardous Waste and Environmental Emergencies.

- TITLE:** Principal of Risk Assessment
DATE: 1985
ABSTRACT: A Non-Technical Review of Workshop on Risk.
- TITLE:** Guide for Minimizing the Adverse Environmental Effects of Cleanup of Uncontrolled Hazardous Waste Sites
DATE: 1985
ABSTRACT: This Document is Intended to Guide Onsite Decision Authorities in Appraising and Analyzing Potential Environmental Consequences of any given Alternative for Cleanup of an Uncontrolled Hazardous Waste Site.
- TITLE:** Technical Background Document to Support Rule -Making Pursuant to CERCLA Section 102 Volume 11
DATE: 1985
ABSTRACT: Provides the US EPA with the Technical Background Required to Adjust the Reportable Quantities of Hazardous Substances Designated in Section 101(14) of the CERCLA
- TITLE:** This Brochure will Help You Comply with Hazardous Waste Laws
DATE: 1985
ABSTRACT: See "Title".
- TITLE:** Removal Cost Management Manual
DATE: 1/85
ABSTRACT: A Guide to Provide Comprehensive Management Procedures to Use at EPA Response Actions. authorized by CERCLA. For use by OSC.
- TITLE:** Superfund Remedial Design and Remedial Action Guidance
DATE: 2/85
ABSTRACT: To Assist Agencies and Parties who Plan Administer and Manage Remedial Design (RD) and Remedial Action (RA) at Superfund Sites.
- TITLE:** Ground Water Technical Enforcement Guidance Document (Draft)
DATE: 3/85
ABSTRACT: See "Title".
- TITLE:** Guide for Decontaminating Building, Structures, and Equipment at Superfund Sites
DATE: 3/85
ABSTRACT: Presents Information on Decontamination of Buildings, Structures and Equipment at Superfund Sites.

- TITLE:** Chlorinated Dioxins Workgroup Position Document
DATE: 10/85
ABSTRACT: Describes Risk Assessment Procedures for TCDD.
- TITLE:** Characterization of Hazardous Waste Sites - A Methods Manual, Vol. 1 - Site Investigations
DATE: 4/85
ABSTRACT: Gives guidance on information gathering activities in support of the requirements specified in the national oil and hazardous substances pollution contingency plan.
- TITLE:** Risk Assessment and Risk Management of Toxic Substances
DATE: 4/84
ABSTRACT: Defining a single philosophy of risk and what the Dept. should do about it - describing the most common assumptions upon which risk assessment is based and developing in concept problem-solving approach toward risk management.
- TITLE:** Guidance on Remedial Investigations Under CERCLA (11 Copies)
DATE: 4/85
ABSTRACT: Provides a more detailed structure for field studies involving data collection for remedial decisions under the CERCLA and NCP (40 CFR 300).
- TITLE:** Data acquisition, interpretation, and Remedial Actions for Uncontrolled Hazardous Waste Sites
DATE: 4/85
ABSTRACT: See "Title".
- TITLE:** Guidance on Remedial Investigations Under CERCLA
DATE: 5/85
ABSTRACT: Provides a more detailed structure for field studies involving data collection for remedial decisions under the CERCLA and NCP (40 CFR 300).
- TITLE:** Guidance Document for Cleanup of Surface Tank and Dump Sites
DATE: 5/85
ABSTRACT: Provide guidance on carrying out concurrent remedial planning activities and accelerating project implementation for the cleanup of surface tanks and drums containing hazardous waste. This document is designed to be used in conjunction to EPA's guidance document on conducting Remedial Investigation Feasibility studies (EPA).

- TITLE:** Guidance Document for cleanup Surface Tank and Drum Sites
DATE: 5/85
ABSTRACT: Addresses remedial actions for the cleanup of surface tanks and drums containing hazardous wastes, as well as grossly contaminated soils associated with the tanks and drums.
- TITLE:** Remedy Selection Manual
DATE: 5/85
ABSTRACT: This book contains information on ROD documents, formulations, RCRA/CERCLA issues, and case studies.
- TITLE:** Assessment Conference
DATE: 5/85
ABSTRACT: Conference on May 29 and 30, 1985 at Peachtree Plaza Hotel, Atlanta, Georgia
- TITLE:** Memo from Jack W. McGraw, Acting Assistant Administrator of DSWER Regarding Procedures for Planning and Implementing Off-Site Response Actions
DATE: 5/85
ABSTRACT: Addresses off-site storage, treatment and disposal of hazardous substances under CERCLA and RCRA.
- TITLE:** EPA Guide for Minimizing the Adverse Environmental Effects of Cleanup of Uncontrolled Hazardous Waste Sites
DATE: 6/85
ABSTRACT: The document is intended to guide onsite decision authorities in appraising and analyzing potential environmental consequences of any given alternative for cleanup of an uncontrolled hazardous waste site. This guide is structured to be used in conjunction with EPA 1982.
- TITLE:** EPA Guide for Minimizing the Adverse Environmental effects of Cleanup of Uncontrolled Hazardous Waste Sites
DATE: 6/85
ABSTRACT: See "Title".
- TITLE:** Guidance of Remedial Investigations under CERCLA
DATE: 6/85
ABSTRACT: Provides a more detailed structure for field studies involving data collection for remedial decisions under the CERCLA and NCP.

TITLE: Cost Estimating Guide
DATE: 7/85
ABSTRACT: Outlines a comprehensive approach to identifying the scope items necessary for feasibility study (FS) estimates and presents a suggested format for presenting those estimates.

TITLE: Memo from Russell H. Wyer, Director, HSCD Regarding Implementation of Off-Site Policy for FY'85 Remedial Actions
DATE: 8/85
ABSTRACT: See "Title".

TITLE: Protection of Public Water Supplies from Ground-Water Contamination
DATE: 9/85
ABSTRACT: Seminar Publication "See Title".

TITLE: Incineration of Treatment of Hazardous Waste
DATE: 9/85
ABSTRACT: Proceedings of eleventh annual research symposium.

TITLE: Technique for Treatment and Disposal of Soils Contaminated with Organic Solvents Review Draft
DATE: 10/85
ABSTRACT: Capacity and capability of alternatives to land disposal of Superfund wastes.

TITLE: Remedial Action at Waste Disposal Sites
DATE: 10/85
ABSTRACT: To assist governmental and industrial officials and technical persons in understanding remedial technologies, selecting potentially applicable technologies, for a given waste site, and planning for remedial action.

TITLE: Memo from Linda Garczynski, Chief Contracts Management Section to TAT and ERCS Deputy Projects Officers Regarding RCRA Inspections to be conducted by TATs
DATE: 11/85
ABSTRACT: See "Title".

TITLE: Leachate Plume Management
DATE: 11/85
ABSTRACT: Provides an overview of the fundamental concepts, procedures, and technologies used in leachate plume management.

- TITLE:** Field Studies of Liner Installation Methods at Landfills and Surface Impoundments
DATE: 12/85
ABSTRACT: Investigation of procedures and methods of lining impoundments.
- TITLE:** Superfund Public Health Evaluation Manual Draft
DATE: 12/85
ABSTRACT: Established a framework for analyzing public health risks at SPFD site and for developing design goals for remedial alternatives that are based on applicable or relevant and appropriate requirements of other laws where available, or risk analysis where those requirements are not avail.
- TITLE:** Superfund Treatment Technologies: Vendor Inventory
DATE: 1/86
ABSTRACT: A listing of treatment technologies currently available on the market.
- TITLE:** Participation in the Superfund Program
DATE: 1/86
ABSTRACT: Reports and Addendums.
- TITLE:** Guidance Document for Cleanup of Surface Tank and Drum Sites
DATE: 1/86
ABSTRACT: See "Title".
- TITLE:** Guidance Document for Cleanup of Surface Impoundment Sites
DATE: 1/86
ABSTRACT: See "Title".
- TITLE:** Treatment Technology Briefs
DATE: 1/86
ABSTRACT: Alternatives to hazardous waste landfills.
- TITLE:** Mobile Treatment Technologies for Superfund Wastes
DATE: 1/86
ABSTRACT: A review of various mobile treatment processes.
- TITLE:** Understanding the Small Quantity Generator Hazardous Waste Rules
DATE: 1/86
ABSTRACT: Handbook for small business.
- TITLE:** Transcatalog-Instrument Handbook
DATE: 1/86
ABSTRACT: Catalog of field instruments.

- TITLE:** Draft Quality Assurance/Field Operations Methods Manual (Directive Number 9355.0-14) Volume 1-4
DATE: 1/86
ABSTRACT: Manual is designed to provide the user with a consolidated ready reference to field procedures and quality assurance methodologies. The manual was compiled from procedures that were used successfully in executing EPA work assignments nationwide.
- TITLE:** Superfund Remedial Design and Remedial Action Guidance
DATE: 1/86
ABSTRACT: See "Title".
- TITLE:** Technical Support for Superfund Policy
DATE: 1/86
ABSTRACT: Presents an integrated methodology designed to guide the three major component analyses
1) Analyses of Toxic Contamination 2) Determine the Environmental Fate 3) Evaluation of the Nature and Magnitude of Human Population to Toxic Contamination Analyses.
- TITLE:** Remedial Response at Hazardous Waste Sites
DATE: 3/86
ABSTRACT: Identifies and assesses the various types of site response activities which have been implemented, are in progress, or have been proposed to date at uncontrolled hazardous waste sites across the U.S.
- TITLE:** Remedial Response at Hazardous Waste Sites
DATE: 3/86
ABSTRACT: Identifies and assesses the various types of site response activities which have been implemented, are in progress, or have been proposed to date at uncontrolled hazardous waste sites across the U.S.
- TITLE:** Superfund Remedial Design and Remedial Action Guidance
DATE: 6/86
ABSTRACT: Pertains to fund-financed RD/RA (i.e., federal lead and state lead) and responsible party RD/RA, and provides procedural guidance to be followed in order to ensure that RD/RA is performed properly, consistently, and expeditiously.

- TITLE:** Guidance Document for Cleanup of Surface Impoundment Sites
DATE: 6/86
ABSTRACT: Addresses remedial actions for the cleanup of surface impoundments containing hazardous wastes.
- TITLE:** Land Disposal, Remedial Action, Incineration and Treatment of Hazardous Waste
DATE: 8/86
ABSTRACT: Proceedings of the Twelfth Annual Research Symposium Held in Cincinnati, OH. 4/21-23, 1986. This Presents the Latest Significant Research Findings of Ongoing and Recently Completed Projects Funded by the Hazardous Waste Energy Research Lab (HWERL) to Persons Concerned with Hazardous Waste Management.
- TITLE:** Systems to Accelerate in SITU Stabilization of Waste Deposits
DATE: 9/86
ABSTRACT: Present Information on the Potential Application of a Number of in Situ Treatment Technologies for the Stabilization of Deposits Containing Various Organic Waste Compounds.
- TITLE:** Guidelines for Ground Water Classification Under the EPA Ground Water Protection Strategy
DATE: 12/86
ABSTRACT: See "Title".
- TITLE:** Contracts Evidence Audit Team Products and Services Manual
DATE: 1/88
ABSTRACT: A Description of the Products and Services Available from NEIC Under the Contract Evidence Audit Team Contract (CEAT).
- TITLE:** Final Report and Work Products of the CERCLA Settlement Incentives/Disincentives Workgroup
DATE: 7/88
ABSTRACT: The Workgroup's Evaluation of Negotiation and Enforcement Practices and a Developed Range of Guidances and Strategies to Assist EPA in Achieving Successful Settlements with PRPs.
