November 12, 1991

Addressees:

ADOPTION OF THE ENGINEERING EVALUATION/COST ANALYSIS (EE/CA) FOR THE MANAGEMENT OF CONTAMINATED STRUCTURES, 15 NON-PROCESS BUILDINGS (15 SERIES), AND THE 15 SERIES ADDENDUM AT THE WELDON SPRING CHEMICAL PLANT, WELDON SPRING, MISSOURI AS AN ENVIRONMENTAL ASSESSMENT (EA) FOR INTERIM ACTIONS AT THE WELDON SPRING SITE

The Department of Energy (DOE) determined that the EE/CAs adequately satisfy the NEPA requirements for an EA. The documents adopted as the EA include the EE/CAs for the Management of Contaminated Structures, 15 Non Process Buildings (15 Series), and the 15 Series Addendum. The DOE has also determined that the proposed action is not a major Federal action significantly affecting the quality of the human environment, as defined by NEPA. The basis for the determination is explained in the Finding of No Significant Impact (FONSI) date October 17, 1991.

The enclosed EA cover page is to be placed with the EE/CAs. All of the documents mentioned in this letter are available for public inspection at the following locations:

- Kisker Road Branch, St. Charles Public Library
- Spencer Creek Branch, St. Charles Public Library
- Kathryn Linneman Branch, St. Charles Public Library
- Francis Howell High School Library
- Weldon Spring Site Remedial Action Project Public Reading Room

For more information, contact Jim McKee or the Community Relations Department at (314)441-8086.

Sincerely,

Jeffrey A. Van Fossen

for Stephen H. McCracken

ENVIRONMENTAL ASSESSMENT

Weldon Spring Site Remedial Action Project
Weldon Spring, Missouri

NOVEMBER 1991

The EE/CAs and addendum for the management of contaminated structures and 15 nonprocess (15 series) buildings have been accepted as an Environmental Assessment (EA) for compliance with the National Environmental Policy Act (NEPA) of 1969. On the basis of the analysis in these documents, the Department has determined that the proposed action is not a major Federal action significantly affecting the quality of the human environment within the meaning of NEPA. Therefore, the preparation of an environmental impact statement is not required, and the Department is issuing a Finding of No Significant Impact (FONSI)
