Mr. Jerry S. Van Fossen
Deputy Project Manager
Weldon Spring Site
Remedial Action Project Office
7295 Highway 94 South
St. Charles, Missouri 63304

Dear Mr. Van Fossen:

Thank you for providing our staff opportunity to review the following documents:

"Engineering Evaluation/Cost Analysis for the Proposed Removal Action at the Southeast Drainage Near the Weldon Spring Site, Weldon Spring, Missouri," prepared by Argonne National Laboratory, Environmental Assessment Division, October 1995

"Preliminary Hazard Analysis, Weldon Spring Ordinance Works, TNT-Contaminated Materials Remediation," prepared by EASE, Inc., October 1995.

We have no specific comments on these documents. We appreciate your efforts in coordinating this cleanup effort and are committed to working cooperatively with you to complete this important assignment.

Please direct further coordination on this effort to Mr. Norm Stucky at the above address.

Sincerely,

DAN F. DICKNEITE
PLANNING DIVISION CHIEF
