Dear Ms. McCord:

**ADMINISTRATIVE RECORD U.S. DOE - FEED MATERIALS PRODUCTION CENTER  
(FMPC)**

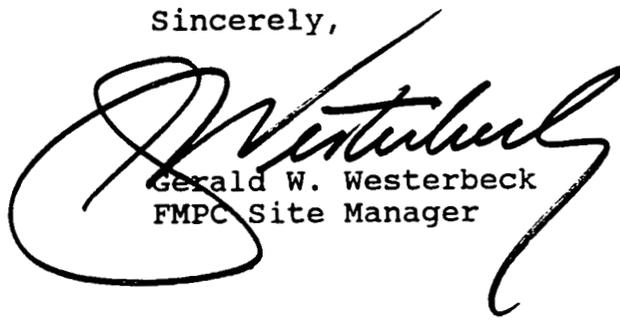

The purpose of this letter is to document the transmittal of existing documents on the Administrative Record at the Feed Materials Production Center (FMPC) on March 20, 1990. It is our understanding that you already have a copy of the Characterization Investigation Study, Volume 4, Chemical Analysis Data Volumes 1-49. This transmittal should bring your Administrative Record up to date with the FMPC copy. Additions will be transmitted as they become available.

Also, an updated index for placement in your Administrative Record file was transmitted at the same time.

The Administrative Record is available to the public upon request during normal business hours at both the Reading Rooms in the Lane Public Library in Hamilton, Ohio and in the FMPC Administration Building.

If you require additional information, please contact A. P. Avel, of my office, at FTS 774-6161.

Sincerely,

Gerald W. Westerbeck  
FMPC Site Manager
