SUBJ: DISCHARGES INTO PADDY'S RUN CREEK

Until further notice, WMCO should not discharge or cause to be discharged any liquid or solid materials to any drainage system that has the potential to reach Paddy's Run Creek. This direction also applies to those non-WMCO personnel onsite at the FMPC under the management control of WMCO such as Rust and Rust subcontractors.

Advise if you have any questions.

Sincerely,

James A. Reafsnyder
