RE: K-65 DECANT
SUMP REMOVAL

Mr. Jack Craig
U.S. DOE - FMPC
P.O. Box 398705
Cincinnati, Ohio 45239

Dear Mr. Craig:

Although the K-65 decant sump removal action is underway, Ohio EPA wanted to insure that U.S. EPA and Ohio EPA will be consulted as to the treatment and disposition of this liquid. This should be considered a condition of the work plan approval.

If you have any questions about this please contact me.

Sincerely,

Graham E. Mitchell
DOE Coordinator
