Dear Ms. McCord:

PERMANENT TLD REINSTATEMENT

This is to inform you that you will be issued a permanent TLD badge for future visits at the FMPC.

To ensure compliance with all FMPC policies, these procedures must be followed:

- TLDs must be stored in the Dosimetry processing area (Room 019) of the Safety and Health Building.
- Pre-visit and post-visit urine samples must be submitted as required by FMPC procedures. These urine samples may be mailed to WMCO.

If the above procedures are not followed, you will be returned to visitor status.

If you have any questions, please call Jay Jalovec, of my staff at FTS 774-6008.

Sincerely,

Gerald W. Westerbeck
FMPC Site Manager
