Dear Ms. McCord:

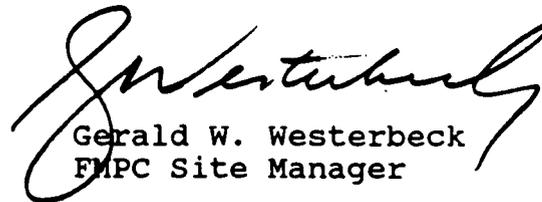

ADMINISTRATIVE RECORD RELOCATION TO JAMTEK BUILDING

Your June 19, 1990 letter, which approves the consolidation of the Administrative Record from the FMPC and Lane Library locations into the JAMTEK Building lists five "understandings." We confirm that the JAMTEK location will provide free copying of documents, will not require individuals to sign in to view documents, will provide extra copies of large reports to check out, and a "librarian" will be available to assist users. However, the facility will be open only during normal business hours.

An announcement will be provided to individuals on the mailing list, and a legal notice will be published in the local press when the relocation of the Administrative Record files occurs. The U.S. EPA will be notified at least fifteen (15) days prior to the change in locations.

If you have any questions, please contact Andy Avel, of my staff, at (513) 738-6161 or FTS 774-6161.

Sincerely,

Gerald W. Westerbeck
