Dear Mr. Meyers:

Thank you for your interest in the environmental study underway at the Feed Materials Production Center. We appreciate your participation in the January 1989 community meeting and the valuable role your agency plays in the emergency service network.

We know it has been a while since you inquired about the work plan that maps out the FMPC Remedial Investigation and Feasibility Study. Copies of the work plan are available for public review in the two reading rooms we have established locally. The locations and hours of each reading room are:

Lane Public Library  
North Third & Buckeye Streets  
Hamilton, Ohio 45013  
Hours: Mon. - Sat.: 9 am - 9 pm; Sun.: 1 pm - 5 pm

FMPC Administration Building  
7400 Willey Road  
Cincinnati, Ohio 45239  
Hours: Mon. - Fri.: 7 am - 6 pm

The work plan is quite large, consisting of five separately bound volumes. If you have a specific area of interest about the work plan, we will try to accommodate you.

We hope you will be able to attend the spring community meeting on May 15 in the Ross Middle School.

Sincerely,

*James A. Reafsnyder*
