Mr. Graham E. Mitchell, DOE Coordinator
Ohio Environmental Protection Agency
40 South Main Street
Dayton, OH 45402

Dear Ms. McCord and Mr. Mitchell:

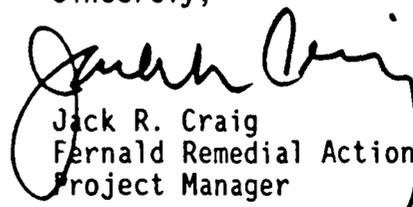

**RISK ASSESSMENT - PROPOSED PLAN ADDENDUM TO THE REMEDIAL INVESTIGATION (RI)
AND FEASIBILITY STUDY (FS) WORK PLANS**

Reference: Letter, DOE-949-91, J. R. Craig to C. A. McCord and G. E. Mitchell, "Risk Assessment - Proposed Plan Addenda to Remedial Investigation (RI) and Feasibility Study (FS) Work Plans," dated March 15, 1991

On Friday, June 14, 1991, a draft outline for the RI/FS Work Plan Addendum was transmitted to U. S. EPA. This outline detailed the methodology which will be utilized to perform Operable Unit (OU) and Site-Wide Baseline Risk Assessments, OU FS Risk Assessments, as well as the final comprehensive site-wide Risk Assessment. Also, as discussed in the referenced letter, this Work Plan Addendum describes DOE's proposal to resolve the various technical issues which have been raised in the U. S. and Ohio EPAs' comments on the Initial Screening of Alternatives document for OU 2.

The schedule for this proposed addendum will be determined through the ongoing Consent Agreement renegotiation meetings. If you have any questions, please contact myself at (513) 738-6159 or FTS 774-6159 or Robert Janke at (513) 738-6883 or FTS 774-6883.

Sincerely,

Jack R. Craig
Fernald Remedial Action
Project Manager

FSO:Janke
