Graham E. Mitchell, FMPC Coordinator  
Ohio Environmental Protection Agency  
40 S. Main Street  
Dayton, OH 45402

Dear Mr. Mitchell:

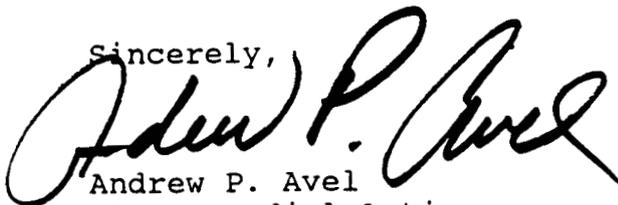

**POTENTIAL STATE ARARS FOR OPERABLE UNIT 5**

Reference: Letter, DOE-1801-90, Andrew Avel to C. A. McCord and  
a<sup>v</sup> G. E. Mitchell, "Initial Screening of Alternatives for  
Operable Unit 5," dated August 27, 1990

The referenced letter transmitted to U.S. EPA and Ohio EPA the Initial Screening of Alternatives Document for Operable Unit 5. The Consent Agreement Section X.E. requires U.S. DOE to request the State to identify potential State ARARs for each operable unit after submittal of the Initial Screening of Alternatives. This letter will satisfy the requirements of Section X.E. of the Consent Agreement and serve as U.S. DOE's formal request of potential State ARARs. Potential ARARs not already identified should be submitted to my office within 30 days of receipt of this letter.

If you have any questions, please contact Carlos J. Fermiantt, at (513) 738-6157.

Sincerely,

Andrew P. Avel  
FMPC Remedial Action  
Project Director
