Dear Mr. Britton:

**AMENDMENT OF THE FMPC SPILL PREVENTION CONTROL AND COUNTERMEASURE
(SPCC) PLAN**

We have reviewed the SPCC Plan and find that all comments have been adequately addressed. The document should be reviewed and accepted by a professional engineer and issued before July 20, 1990 as required by 40 CFR 112.3. The controlled copies of this plan provided for our review have been returned to your staff.

If your staff has any questions, please ask them to contact David Rast, of my staff, at extension 6322.

Sincerely,
