Dear Mr. Mitchell:

FMPC DRUM MANAGEMENT PLAN

Reference: Letter, DOE-1995-90, Gerald W. Westerbeck, U.S. DOE to Paul D. Pardi, Ohio EPA, "Plant 1 Pad Containment Staging Area - Drum Management Plan," dated October 10, 1990

As previously provided during the presentation of July 21, 1990, this letter transmits the enclosed plan describing actions the FMPC plans to take to meet the requirements of the proposed Amended Consent Decree Civil No. C-1-86-0217. This submittal provides the information for and shall serve to meet the requirements for the plan set forth in subsection 3.8(c) of the Consent Decree.

Also enclosed is the schedule for completion of analysis for the drums stored in Plant 6 as requested. Note the containment storage area has been modified and the configuration noted in the referenced letter is the current status of this area.

If you have any questions, please contact David Rast, at (513) 738-6322.

Sincerely,

Ray Hansen jr
Gerald W. Westerbeck
