Mr. W. H. Britton, President
Westinghouse Environmental Management
Company of Ohio
P.O. Box 398704
Cincinnati, Ohio 45239-8704

Dear Mr. Britton:

REMOVAL ACTION MEMORANDUM - DISPOSAL OF METAL TANKS (1, 2, 3, 4, 5, 6, 7, AND 21)

Reference: Letter, WEMCO:EMT:91-456, S. W. Coyle to G. W. Westerbeck, same subject, dated August 16, 1991

The enclosed Removal Site Evaluation for the Disposal of Metal Tanks (Nos. 1, 2, 3, 4, 5, 6, 7, and 21) project has been reviewed by my office. Based on this review, DOE has determined that this project does not constitute a removal action. Therefore, the project can proceed following FMPC Standard Operating Procedures and FMPC-720, "Control of Construction Waste."

This document shall be incorporated into the Administrative Record for the RI/FS. A final report shall be issued indicating the ultimate disposition of the tanks.

If your staff has any questions, please ask them to contact R. J. Janke at extension 6883.

Sincerely,

R. E. Tiller
R. E. Tiller
Manager
