Dear Mr. Avel:

The United States Environmental Protection Agency (U.S. EPA) acknowledges the receipt of your February 4, 1991, letter #992 regarding a change in project managers for the remedial and removal response actions at the United States Department of Energy (U.S. DOE) Fernald site. This change is pursuant to Sections XXIV and XXV of the 1990 Consent Agreement.

As required by Section XXV of the 1990 Consent Agreement, primary communications are to be between U.S. DOE and U.S. EPA project managers. U.S. DOE project manager or alternate must participate in all meetings, telephone conferences, and telephone calls.

Sincerely,

Catherine A. McCord
