RE: ~~Schedule Summary~~  
U.S. DOE Fernald  
OH6 890 008 976

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) acknowledges the United States Department of Energy's (U.S. DOE) March 20, 1991, letter regarding a summary of Consent Agreement schedules and primary document submittals. This letter was discussed in March 20, 1991, teleconference, in which U.S. EPA identified some discrepancies in the letter. As stated in the teleconference, U.S. EPA will not be presenting formal comments on the summary because the commitments in the 1990 Consent Agreement dictate the schedules for the response actions and the submission of documents.

Please contact me at (312) or FTS 886-4436, if there are any questions.

Sincerely,

Catherine A. McCord  
Remedial Project Manager
