Dear Mr. Saric and Mr. Mitchell:

**REVISED ENGINEERED WASTE MANAGEMENT FACILITY (EWMF) SAMPLING AND ANALYSIS PLAN (SAP)**

Enclosed for your review is the revised EWMF SAP. Also enclosed is the Response to Comments document.

As discussed in the Response to Comments document, a list of potential Applicable or Relevant and Appropriate Requirements and To Be Considered (TBC) requirements for the facility will be submitted for your review and comment by December 2, 1991.

Please provide any additional concerns on the contents of the SAP to DOE as soon as possible. We are currently scheduled to proceed with initiation of the program as described in the SAP in early December to maintain the Consent Agreement schedules.

If you or your staff have any questions, please contact Randi Allen at FTS 774-6158 or (513) 738-6158.

Sincerely,
