Dear Mr. Craig:

The purpose of this letter is to provide conditional approval of Revision 2 of the Sampling Plan for Waste Pit 5, 6, and Clearwell. The conditions for approval are that DOE address, to Ohio EPA satisfaction, the two comments listed below:

1. Comment 1C: The response to the comment states that "All sampling activities will be performed in accordance with (at a minimum) the RI/FS QAPP . . .". The text of the sampling plan does not contain this statement. Include the response in the sampling plan.
2. Comment 1D: The response to this comment is not clearly worded. Rewrite/reword this response.

If you have any questions about these comments please contact me.

Sincerely,

Graham E. Mitchell
