Dear Applicant:

Section 3745.11(D) requires that any person applying for a plan approval for a water treatment system pursuant to Section 6109.07 of the Revised Code shall pay a fee of one hundred dollars plus two-tenths of one percent of the estimated project cost, that the total fee shall not exceed five thousand dollars and that such fee shall be paid at the time the applicant is submitted. The referenced plan is being held without action because it is incomplete in that a check or money order for the fee did not accompany the plan.

The fee for the referenced plan is calculated as follows:

Estimated Cost:	\$ 1,180,000.00
Multiplied by 0.2% (0.002):	2,360.00
Subtotal:	2,360.00
Plus \$100.00:	100.00
TOTAL FEE DUE:	\$ 2,460.00

Please remit a check or money order in the amount shown above as **TOTAL FEE DUE** and made payable to the Treasurer of the State of Ohio. Send or bring the check to the Ohio Environmental Protection Agency, Southwest District Office, 40 South Main Street, 5th Floor, Dayton, Ohio 45402, in order that we may accept and process your plan.

Your cooperation and understanding is solicited.

Sincerely,

Sarah G. Brown
Authorization and Compliance Representative
